

Proposal for each sector:

- Draw a basemap:
Region, Parcels, Roads, Bldgs
- Review Previous Lit:
Overlay Relevant Parts
on our Map
- Map missing
considerations
- Locate punctual sites
for intervention

Notes:

- Pedestrian crossing of
the river available only
on the Northern end
- Pedestrian Mobility
should be integrated to
the existing mass transit
networks (bus)
- A focus on the
neighborhood of Nabaa
is crucial for meeting the
UNOPS SDGs in the
entire sector
